Proceedings: (IN CHAMBERS) ORDER TO SHOW CAUSE

On February 28, 2023, Plaintiff filed a complaint (Docket Entry No. 1). On March 1, 2023, the Court issued a minute order (Docket No. 10), reminding plaintiff that a proof of service must be filed within 10 days of service of the summons and complaint. Additionally, on March 29, 2023, the parties filed a Stipulation Extending Time to Answer the Complaint (Docket No. 11). Plaintiff has failed to file a proof of service or request an extension of time in which to do so.

The parties are reminded that in order for the above-entitled case to proceed with the assigned magistrate judge, they must file and serve joint or separate Consent form(s), indicating whether each party consents to have a magistrate judge assigned to this case. Plaintiff must file the Consent form within forty-two (42) days after service of the summons and complaint upon the first-served defendant. Each defendant must file the Consent form within forty-two (42) days after service of the summons and complaint upon that defendant. If the United States, an agency of the United States, or an officer or employee of the United States is a defendant, the government must file the Consent form within sixty (60) days after service of summons and complaint upon each defendant.

Accordingly, Plaintiff is ORDERED TO SHOW CAUSE no later than **April 4, 2023** why this action should not be dismissed with prejudice for failure to prosecute. Plaintiff may discharge this Order by filing a proof of service.
